Product Description

Rugged rustic charm radiates from this extraordinary pendant which was inspired by Antique Wooden staves traditionally bound by wooden hoops in the construction of beer/whisky barrels and wine casks. A Costello Black, Coffee Bean, or Wrought Iron finish is applied to curved staves of Charred Wood that partially conceal a single incandescent bulb. The fixture is custom crafted in USA. Custom sizes, styles and colors are available, as well as dimmable, energy efficient lamping options.
