

## Cascades Extra Large Wall Sconce

### Finish Options

Silver

### Product Description

Inspired by the magnificent water displays of eighteenth century fountains, Cascades is a collection of unique lighting fixtures of exquisite grace. Metal frames of warm silver leaf support dramatically bold cascades of hand-cut crystals delicately woven together and trailing away like water droplets. Light playing on the crystals recalls the effect of sun or moon light animating cascading water. The extraordinary visual effect is that of falling water captured in mid-air.
