Product Description

Drawing inspiration from the London of the 1820s, Eaton Place is a highly original group of lighting with strong traditional roots, of solid brass and steel in a rich dark brown patina with garnet undertones. Unprecedented in scale and magnificence are the massive, fully faceted solid crystal bell-shaped pendants, urns and bobeches of optic quality. The shades are composed of faceted solid crystals mounted in metal frames, which create a stunning effect of refracted light. DIMENSIONS: H 45" x W 25"
