Product Description

This historic replication fixture is based on an original century-old design created by esteemed lighting designer E.F. Caldwell that Grand Light has previously restored. The Filippo Collection 21" Large Traditional Pendant Light is made of the highest quality aluminum and is available in numerous customizable finishes and diffuser options.

The Grand Vault provides a look into our past projects, from century old restorations to historical recreations. Products from the Grand Vault are made to order, which come in your choice of finish, glass, and size, please inquire for further customizable options. These beautiful lighting fixtures can be used in any residential or commercial buildings.
