Product Description

A floral stone, wild yet delicate, nestled between golden sand dunes. An explosion of weightless forms, complexly stratified, evoking faraway lands. The light only enhances the rhythm of the lamp's geometries, begun with a two-dimensional sheet transformed into ethereal shapes and proportions that conjure the infinite, constant vibrations of desert heat. The light's movement envelopes its surroundings. **Dimensions :** 23-3/4"Dia X 16-1/2"H; 55" max overall height
