Product Description

"Primo" means "first" in Italian, and the Primo collection lives up to its name as the top choice in classic, dramatic lighting. The symmetrical bell-shaped design offers variations in single, double, and triple tiers, with each canopy encrusted with multiple layers of round crystals. Delicate strands of crystals flare out from each canopy, ending in a profusion of crystal octagons and balls in the bottom hemisphere base.

Dimensions and Details

The Primo series of hanging fixtures comes in finishes of brilliant chrome or gold, which are refracted in the clear crystals. Choose from royal-cut, Swarovski Spectra, or Swarovski Elements crystals. Width of 72 inches, height of 96 inches, and requires 66 candelabra bulbs.
