### Product Description

Grand Light had custom designed and fabricated custom lighting fixtures for the Port Arthur Independent School District – School of Performing Arts rehabilitation project. This project required 10 large, energy efficient flush mount fixtures and 5 pendant lights with similar design. The fixtures were drafted by Grand Light and sent for the client's approval. Samples for glass and finish were sent as well, and the client approved the combination of acrylic bowl bleached honey onyx, and a mahogany bronze finish. All the fixtures accommodate 3 CFL lamps, and were wired with accordance to UL standards.
