Product Description

Bring the splendor of rain drops falling through glowing sunlight into your home every day. The Messina Collection has many sizes and shapes but they all feature crystal balls and discs suspended in the air with soft white light shining down on them. The resulting effect is a rainbow of beauty and light. Fully polished, 30% lead crystals suspended and slowly spinning in space are the centerpieces of this remarkably distinctive chandelier. Displaying all the rich and colorful beauty of crystal with virtually invisible and effortless support, this design affords the eye a mesmerizing experience
