

Wadsworth Atheneum Historic Lighting Fixtures

Work Scope:

- Clean/conservate existing finish to remove all dust and all surface corrosion, lightly burnish and blend existing patina, including multiple applications of museum grade wax.
- Replace and rewire all electrical components with UL listed products and test in accordance with UL standards. Medium base sockets to be utilized.
- Replace 1/2" pipe that connects the fixture to the marble base.
- Clean and conserve the existing cream color painted finish on the candle covers. Covers with extensive damage will be stripped and will receive an application of closely color matching paint.
- No touch up will be applied to the candle covers. They will be either cleaned or refinished.
- 19 may be cleaned and 5 need to be refinished.
