

# Wadsworth Atheneum Historic Lighting Fixtures

## Work Scope:

- Clean Luminaire with soap and water and repair minor flaws as required. If any existing fixture requires a more extensive repair or refinishing, Grand Light shall notify the design team to determine the procedure to proceed.
- Replace lamp socket. Lamp socket finish to match existing socket.
- Rewire entire luminaire fo UL listing for dry locations.

## Evaluation Recommendations:

- Clean/conservate existing finish to remove excessive corrosion, lightly burnish existing patina, application of museum grade wax.

## Additional Work Required:

- There is significant staining on the bases of these fixtures.
- Clean/Walnut blast to remove excess corrosion, and patina match as required to blend to existing finish, application of museum grade wax

Approval: \_\_\_\_\_ Date: \_\_\_\_\_
