

Dartmouth College - Sanborn House Library
TYPE: Wall Sconce

Work Scope:

- Inspect and Repair all mechanical defects.
- Fabricate molds and cast resin replacement decorative components as required.
- Replace and rewire all electrical components with UL listed products and test in accordance with UL standards. Medium base socket to be utilized.
- Disassemble and clean all components and blend new component finish to closely match existing finish using gold rubs and museum grade waxes.
- Repair with original decorative pieces where possible and blend finish.

Note:

- Several existing epoxy repairs shall remain. A blended finish shall be applied to all previous repairs.
