

Woburn Public Library
Type: DL6

(Pre-Restoration)

Description: Pendant
Location: TBD

Lights: 1

Work Scope:

- Existing fixture shall be disassembled, ultrasonically and hand cleaned to conserve the existing finish on the metal work of the shade. Refinish original fixture body with a new “similar in kind” brass chain and canopy in antique brass to closely match finish on the shade. Apply touch-up on shade where required. Application of UV resistant protective coating of a museum grade wax on shade and lacquer on brass components.
- Ultrasonically and hand clean existing glass diffuser.
- Repair all minor mechanical defects.
- Replace and rewire all electrical components with UL listed products and test in accordance with UL standards. Medium base socket to be utilized.
- Lamps by others.
- No replacement shades or structural components.
